

Good Afternoon Everyone,

We have 1 AM timing assignment for the Saturday AM (12/under) session at the OAK meet this weekend.

The meet is at:

**The Ethel Walker pool\
230 Bushy Hill Road, Simsbury CT 06070
<https://goo.gl/maps/MzxfUxKSHpn>**

Workers assigned to the first timing position will be responsible for signing MSC in, and picking up the stopwatches. First position timers will also need to attend the timers meeting. Please sign in early during warm-up. The length of each assignment will depend on the length of the sessions but I have set them up for 1 hour each. If the meet is running faster or slower, please make adjustments.

If you cannot fill your assignment, please find someone that can. Let me know if you are using a replacement.

Please do not ask me to find a replacement.
